

**We are making an Adam & Eve  
scene!**

**Front should be a bit shorter than rear flap. About 4cm between folds.**

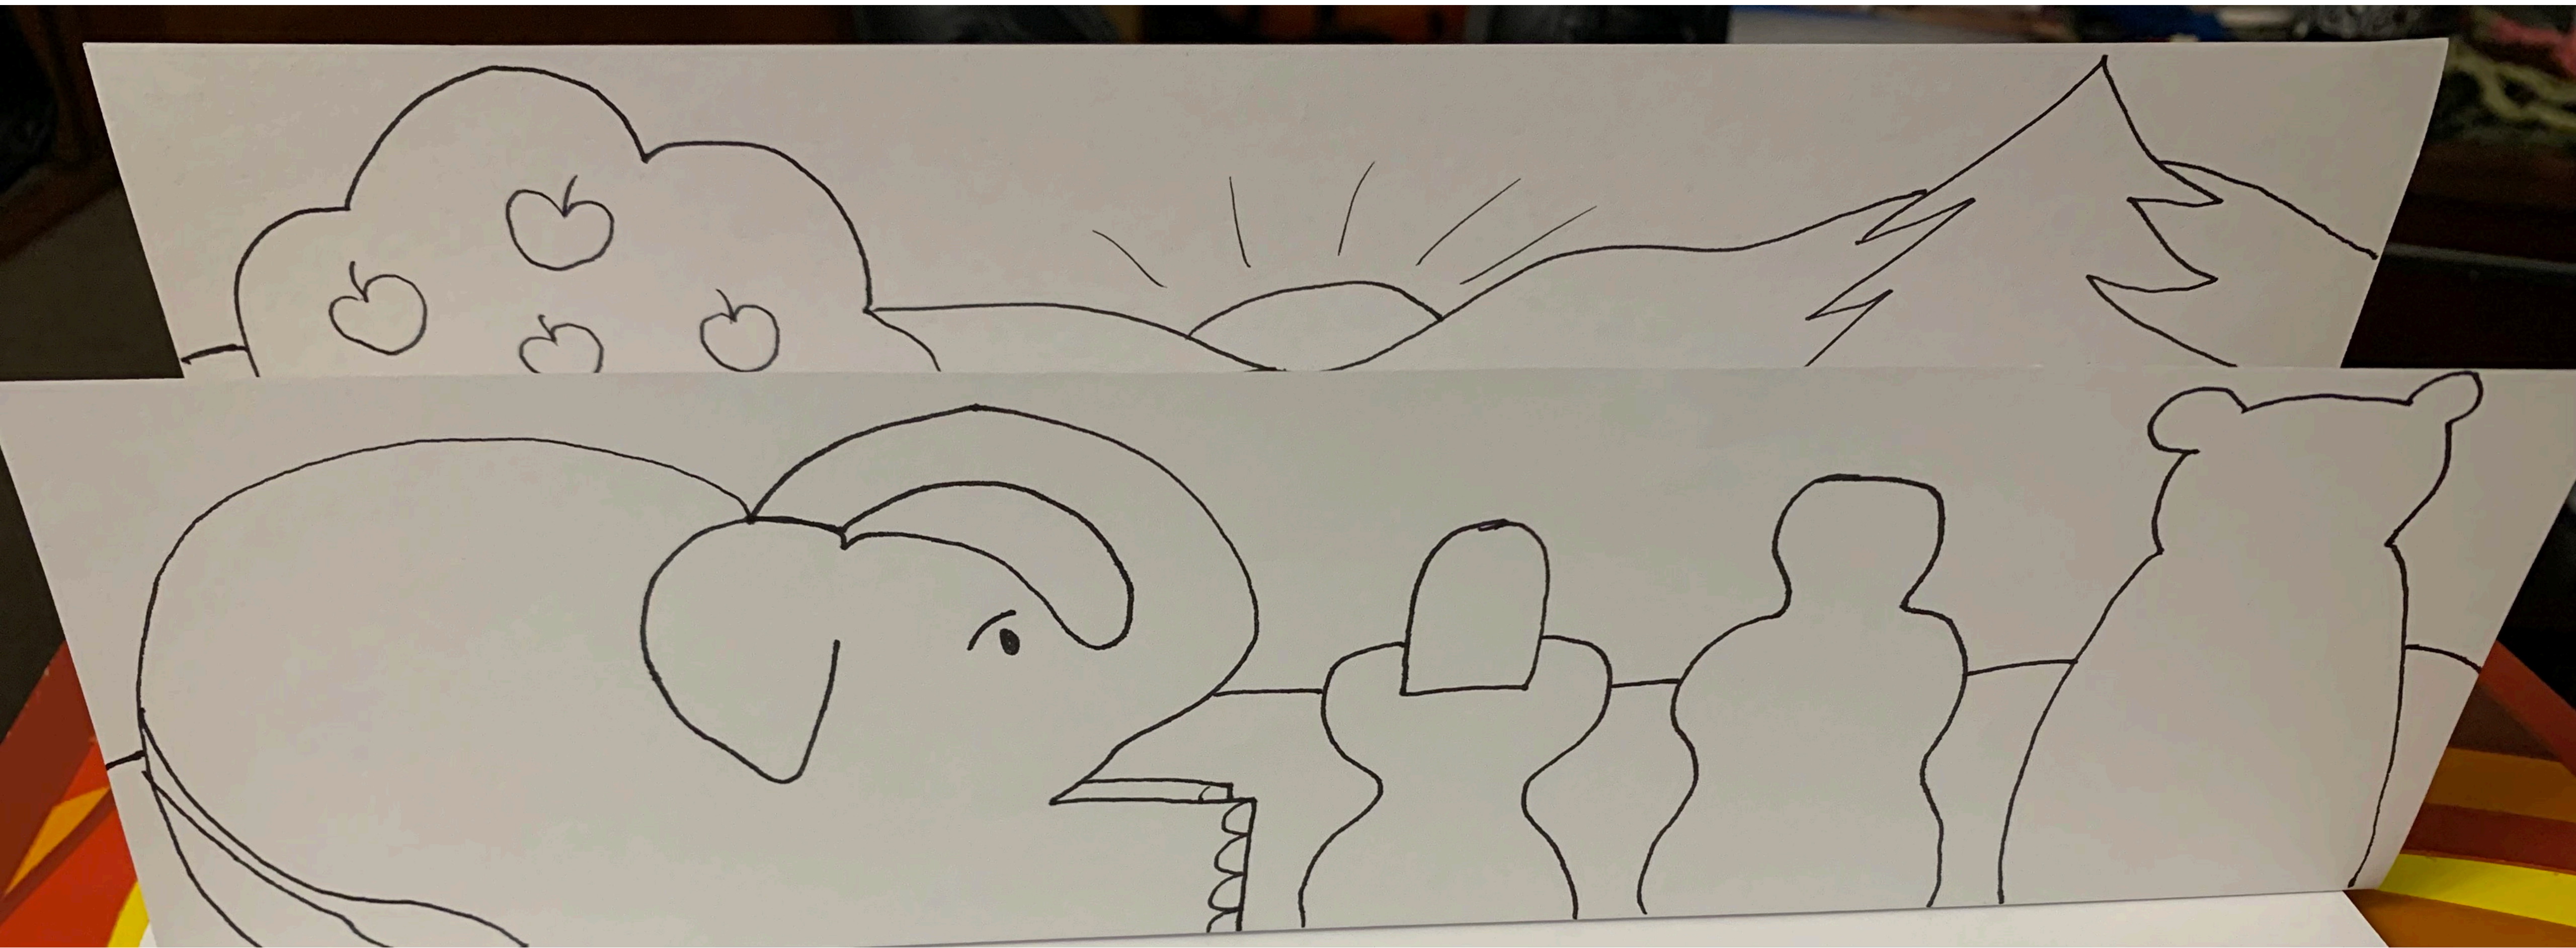

**Fold front flat and draw.**  
**Adam and Eve look like peanut shapes.**

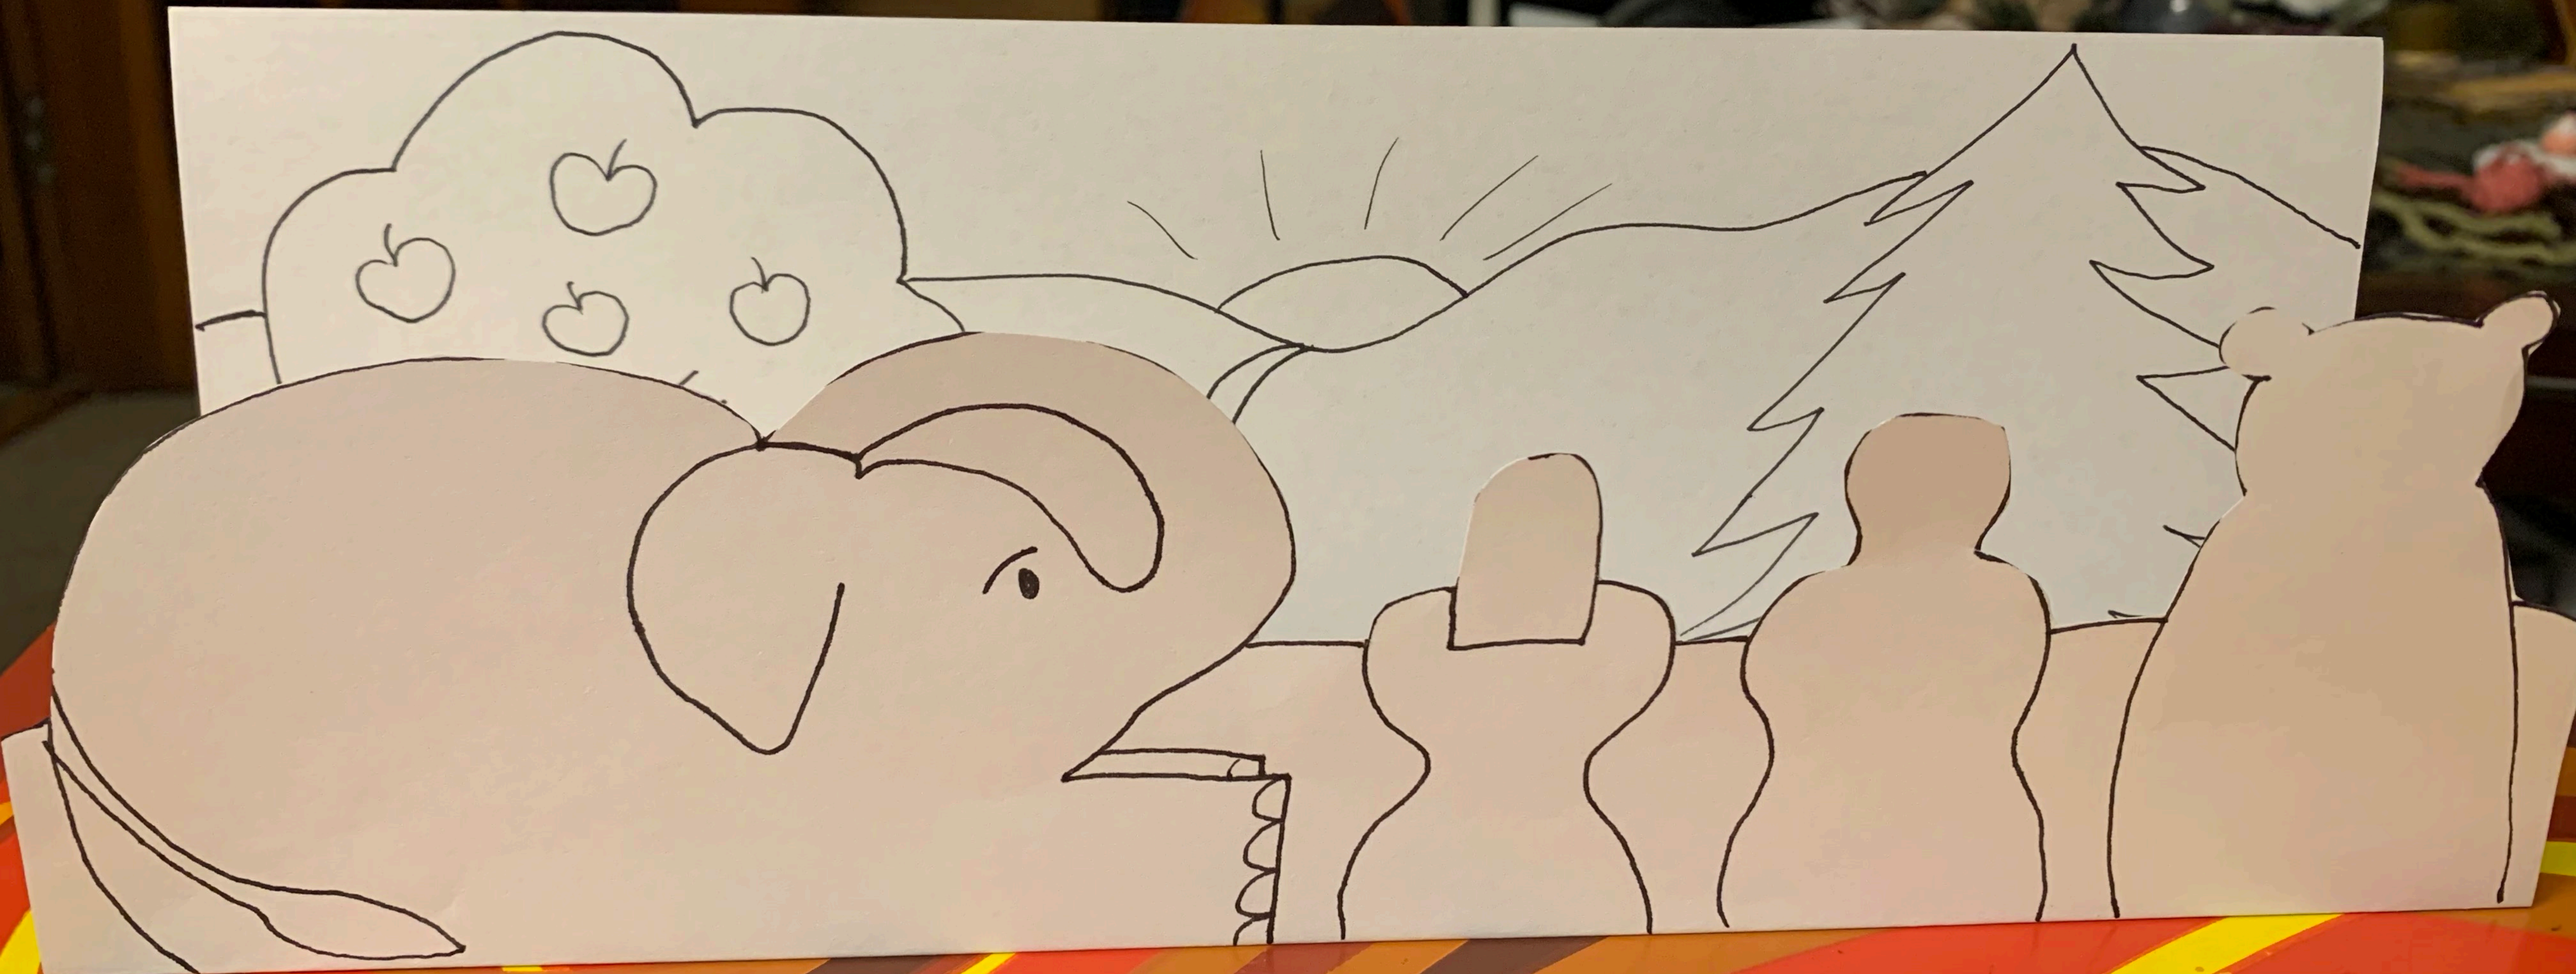

**Fold front forward and draw  
background.**

**It should look like this when you stand up front and back.**

**Cut around top edges of front flap only. Then color.**

# All Done!!!
